OLD BUSINESS

- Still trying to figure out how to get high speed internet to the repeater site.
- Per Neil Weber (KM4NWH) both club owned generators are operating well.

NEW BUSINESS/FORUM DISCUSSIONS - UPDATED

- Boy Scout/Cub Scout involvement **UPDATE**
 - Club requested to visit & set up Monday, January 29, 2024 at 18:30 local at Mountain View United Methodist Church off of Orebank.
 - New Guest, Jeremy Gass (KQ4NKZ) has brought it to the attention of the club that he was not able to find adequate information on the club website or Facebook page to bring awareness to the club meetings, or how to join the club. States that he has reached out to several club members for more information to no avail.
 - Questions arose regarding Facebook, as to why there are two groups for the club. The answer, per Justin Compton (KO4DCD) who created the “second” group is that his page is not club affiliated and was created for all HAMS in Kingsport and the surrounding areas regardless of their status with KARC or any other local clubs.
